resume on January 9th

Shine! Isaiah 60:1-6

January 2 — Epiphany Sunday

Sermon Title: "Shine!"

Scripture: Isaiah 60:1-6

Of course, we'll talk about the Wise Men and Star, but Isaiah is first to mention it. Several thoughts: what the Magi brought to Jesus as an act of worship (adoration) – the Star and how God guides us and reveals truth to us (Thy Word is a lamp unto my feet and a light unto my path) – and most importantly, how Isaiah's vision for Israel (he didn't know he was also speaking of Messiah) as light is a challenge to the church. Are we Israel now that the Holy Spirit has formed us into the body of Christ? What an idea! What an epiphany!
