Be the Salt & Light

MATTHEW 5:13-16

July 10 — 5th Sunday after Pentecost

Sermon Title: "Who Am I?"

Scripture: Matthew 5:13-16

One of the strongest powers we have as human beings is the power to influence people and our relationship with them. Jesus talks a little bit about this when he talked to the crowd in the fifth chapter of Matthew. He told the people listening back then that they were "the salt of the earth" and "the light of the world."

As I prepare to share my first sermon with you this Sunday, I ask you to think about and pray where you can be the "salt" and "light" needed in our community and in the world. Brenda and I look forward to seeing you Sunday morning in the sanctuary at 10:00 a.m.
