Sermon Teaser

"Persistent Faith"

Keeping the faith is probably the hardest thing we have to do in our everyday lives. We are as strong as we can be and more and more comes to take that strength away. It is in those movements I am reminded that without my faith, I would truly be hopeless. Even if it is just a glimmer, having faith can be the difference between keeping on or giving up. Join us this Sunday to revisit a beloved parable that reminds us of the power of persistent faith.
