

Building a foundation of love and support to connect our community to Christ.

### A Word from Rev. Tyler Flowers, Senior Pastor

February is over. Wow, this year is flying by. We are in Lent now and what a wonderful season it has been. For my lenten discipline I am reading the book “40 Days with John Wesley” by Ruben Job. This quote stuck out at me “Jesus often sought silence and solitude to pray and seek his beloved Abba’s direction. No matter where we are in our busy and noisy world, we can do the same, but it will take practice, patience, and perseverance.”

My goal for this lenten season is to practice silence. When my brain runs wild, I will choose to be still and know that God is with me.

The quote points out that this takes practice. It is not something that comes easily but I believe it is something that can be transforming.

What is it that God is trying to say to you this lenten season? How can we at Bascomb help you with this task?

I hope that March brings you continued blessings as we make our way towards the cross.

God bless, Pastor Tyler

## From our Children's Director, China Osborne

Bascomb Kids is looking forward to many exciting upcoming activities!

We have begun our journey to Easter and are already planning our annual Easter Egg Hunt. This year, we're switching things up by hosting the Egg Hunt during our regular meeting time on Sunday from 4:00–6:00 PM. We hope this change will encourage participation and continued growth in our Youth and Kids programs.

We need your help with candy donations! Any small, individually wrapped candy would be greatly appreciated. Donations can be placed in the Easter Egg Hunt basket in the narthex or dropped off at the church office.

This year, we're stepping into something new and exciting for VBS! We're partnering with Ark Family Church to host Rainforest Falls VBS here together on June 22-26! This collaboration means the program will look a bit different from past years. Instead of our usual daytime schedule, we'll be meeting in the evenings from 6-8pm. This change will hopefully bring a refreshed experience to VBS as well as open up more volunteer availability.

With the different time schedule we are going to have different teaching roles than we have in the past and we need you to help represent Bascomb United Methodist Church well in this partnership; we need more volunteers—especially teachers and helpers—from our congregation!

If you're interested in volunteering or teaching, please contact China as soon as possible.

Registration for children will open soon so be on the watch for more details in the coming weeks.

Thanks,  
China Osborne

## From our Preschool Director, Kathi Underwood

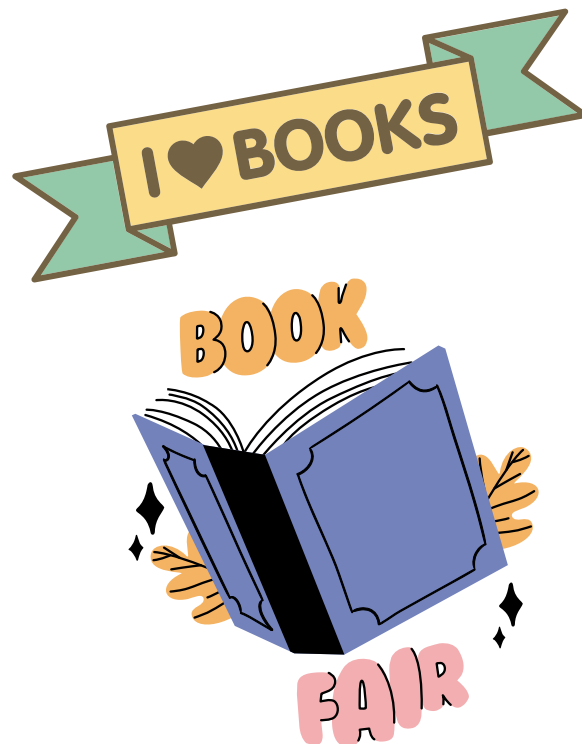

BUMP has an exciting March planned. We will host our families for parent teacher conferences later this month. We also have a Scholastic Book Fair planned for March 16-20.

The students and families will also learn about the season of Easter and celebrate with egg hunts during the last week.

With the upcoming spring break, it is time for the boys and girls to think about planting and gardening. For the last two years, students have planted sunflower seeds, and we have enjoyed gorgeous flowers in our garden.

Some BUMP staff members will also be participating in a CPR/First Aid class at the end of March to renew certification. Anyone interested in joining the class, please RSVP to Kathi ([kathi@bascombpreschool.com](mailto:kathi@bascombpreschool.com)), and I will add you to the list and send you further information on the date and how to pay. The cost is \$40.

### Prime Movers Mission Plan for March: Sharing the Promise

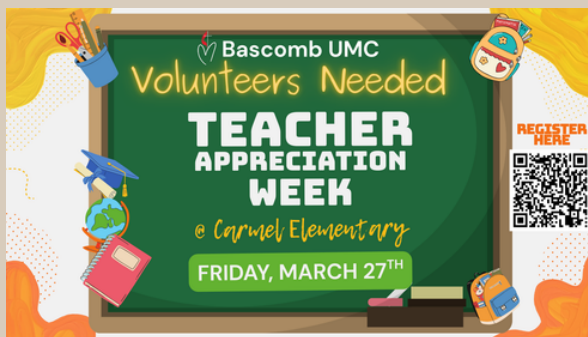

I sometimes think of March as the dreariest month, with its blustery, cold days. But when I see the daffodils showing their heads, I know we are promised spring. To share the promise of the Risen Christ, the Prime Movers class is collecting needed food items to donate to the Bascomb Mission Thrift store. Please drop your donations into the baskets located in the Narthex upstairs or the preschool downstairs. The Prime Movers will attach Bible verses to the items, and we will make sure they are taken to the thrift store.

Collection will take place March 15-22 to be delivered on March 25.

Thanks for your help. ~ Kathi Underwood

### Teacher Appreciation @ Carmel Elementary

Join **Bascomb UMC, Friday March 27th, 9am-2pm** as we joyfully serve the teachers and staff of Carmel Elementary School during Teacher Appreciation Week!

This is a wonderful opportunity to love on those who pour so much into the children of our community each and every day. Volunteers will help serve food during the school day, offer warm smiles, and share a simple but powerful message: **“Bascomb Loves” our community.**

Come be part of this meaningful outreach as we show appreciation, spread kindness, and make a tangible difference right here in our own neighborhood. We can't wait to serve alongside you!
