

Building a foundation of love and support to connect our community to Christ.

### A Word from Rev. Tyler Flowers, Senior Pastor

May is the end. The end of school, the end of activities. It gives way to some rest and then preparation for the next big adventure. We celebrate graduation at this time and I am always reminded of how many give of their time for a younger generation to thrive.

I am thankful for the community of teachers that exists at Bascomb. I am thankful you take time to teach our younger generation as well as myself. Learning is the door to improvement. Learning is what the process of sanctification is all about. It is the only thing that keeps us getting better.

My prayer for June is that we will continue to see God in these learning moments and apply them to all that we do. Know that God is present and in control. Thank you for all you do and have a wonderful summer.

God bless, Pastor Tyler

### Exercise Class Update

The weekly Chair Yoga Exercise Class will be ending for the season, with the final class taking place on **Tuesday, May 26**.

We want to extend our heartfelt thanks to our wonderful instructor, **Lynn Nolan**, who has faithfully led this class with care, patience, and encouragement. Lynn's time, talent, and dedication have been such a gift to our church family, and many have benefited not only from the physical exercise, but from her encouragement.

As Lynn and Scott prepare for their move, they will be greatly missed. They have been devoted and faithful servants of Bascomb United Methodist Church, and their presence has truly blessed our congregation. We wish them the very best in this next chapter and pray for safe travels and many continued blessings.

We hope to offer Chair Yoga again in the fall and will be exploring options for a new instructor. While plans are still to be determined, we are hopeful that this meaningful ministry will continue in the future. Thank you to everyone who has participated and supported this class throughout the season.

Blessings,  
Whitney Gaeta

## From our Youth Director, Gavin Osborne

Last months Youth Lock-In was an incredible time together! Just like our meetings this spring. We have had some fantastic snacks thanks to the volunteers at Bascomb. It has been amazing to see our students building friendships, growing in their faith, and creating memories that will last far beyond their high school careers. From all the laughter and games to the meaningful conversations and time spent together, God continues to move in the lives of our young people. Moments like these remind us how important it is to create opportunities where students can connect with one another and strengthen their relationship with Christ.

We're excited to keep the momentum with our continued youth meetings over the summer as well as, Road Rules our mystery road trip! This is going to be an adventure filled with surprises, fun, and opportunities for our students to grow together in fellowship. While the destination may be a mystery, our purpose remains the same: helping students deepen their faith, build lasting relationships, and experience the joy of community. We're looking forward to all God has in store and can't wait to hit the road together!

Blessings,  
Gavin Osborne

## From our Children's Director, China Osborne

As we wrap up another wonderful semester in Bascomb Kids, we are so thankful for all God has done through our Kids over the past few months. It has been a joy to watch as they grow in faith, friendships, and excitement for learning about Jesus each week. We are also excited to share that, contrary to previous years' schedules, Bascomb Kids will continue meeting throughout the summer! We look forward to staying connected, continuing the fun, and providing consistent opportunities for children and families to grow over the summer.

We are getting excited for this summer's Rainforest Falls VBS, and we cannot wait for another incredible week of Bible stories, worship, crafts, games, and fun for children of all ages. VBS is such a special opportunity for kids to grow in their faith, build friendships, and experience the love of Christ in a fun and engaging environment.

This year, we are so excited to be partnering with ARK Family Church as we come together to make this week even more impactful for our community. VBS will take place June 22–26 from 6:00–8:00 PM, ending with a special Full Family Celebration on Friday evening where the whole family is invited to join in worship and fun together.

Registration is now open, and spots tend to fill quickly, so we encourage families to register as soon as possible. Please help us spread the word by inviting neighbors, friends, coworkers, and family members to attend. A simple invitation can make a lasting difference in a child's life.

We are also still in need of volunteers to help represent Bascomb during VBS week. Whether you can help lead a group, assist with crafts or games, welcome families, or simply lend a helping hand, we would love to have you join the team. Your willingness to serve helps create an unforgettable experience for every child who attends.

You can find the registration link and additional details for both participants and volunteers at [vbspro.events/p/rainforestfalls26](https://vbspro.events/p/rainforestfalls26). Thank you for supporting this important ministry through your prayers, encouragement, and service. We are looking forward to seeing what God will do through Rainforest Falls VBS this summer!

Thanks,  
China Osborne

## Life Line Screening

### *June Men's Health Month*

*It's Time to Take Men's Health Seriously*

The CDC reports that women are 33% more likely to visit the doctor than men, and the rate of women attending preventive services is 100% higher for women than men.<sup>1</sup> Life Line Screening provides a fast, easy, and painless way to screen for stroke and cardiovascular disease risk. Life Line Screening offers screening services such as carotid artery screening, atrial fibrillation screening, abdominal aortic aneurysm screening, and peripheral artery disease screening.

Cardiovascular diseases (CVDs) are the leading cause of death globally, taking an estimated 17.9 million lives each year.

Your family needs you, don't wait and be a part of a statistic. A simple screening can be worth a lifetime.

### *Schedule a screening now.*
