

Building a foundation of love and support to connect our community to Christ.

A Word from Rev. Tyler Flowers, Senior Pastor

Summer is upon us! The heat is here and it is pool season. This has been a wonderful summer so far. We have done some good work at Bascomb UMC. We partnered with the Ark for our annual VBS and it brought with it, a renewed spirit. Even though we are different congregations, we are expressions of the same faith and are all brothers and sisters in Christ.

The NGUMC held its last Annual Conference. Next year, we will have the first Annual Conference of the re-unified, one, Georgia Annual Conference. This is new life in our denomination and we are excited for the future. While we are still rebuilding, we are refreshed and prepared for what God has planned.

Lastly, I ask you to be in prayer for our spirit word this year, which is "mission". This year you will see more opportunities that get us out of the church building and into our world around us. Ask God to show us where he would have us serve. Thank you for all you do and God bless.
